

August 2018

Dear Fourth Grade Student,

Welcome to 4th grade! I am so happy to have you in my class. I can't wait until school starts. I am so excited about teaching 4th grade and getting to know you!

This year, fourth grade will departmentalize. This means that your child will switch classes. I will be in charge of Math and Science instruction. Your child will receive ELA and Social Studies instruction from Mrs. Blanchard. There are many benefits to departmentalization. Your child will learn to manage time and materials efficiently. Additionally, students will learn how to organize school materials in ways that will allow for academic success. Mrs. Blanchard and I look forward to working as a team to help your child develop these skills and grow both academically and socially.

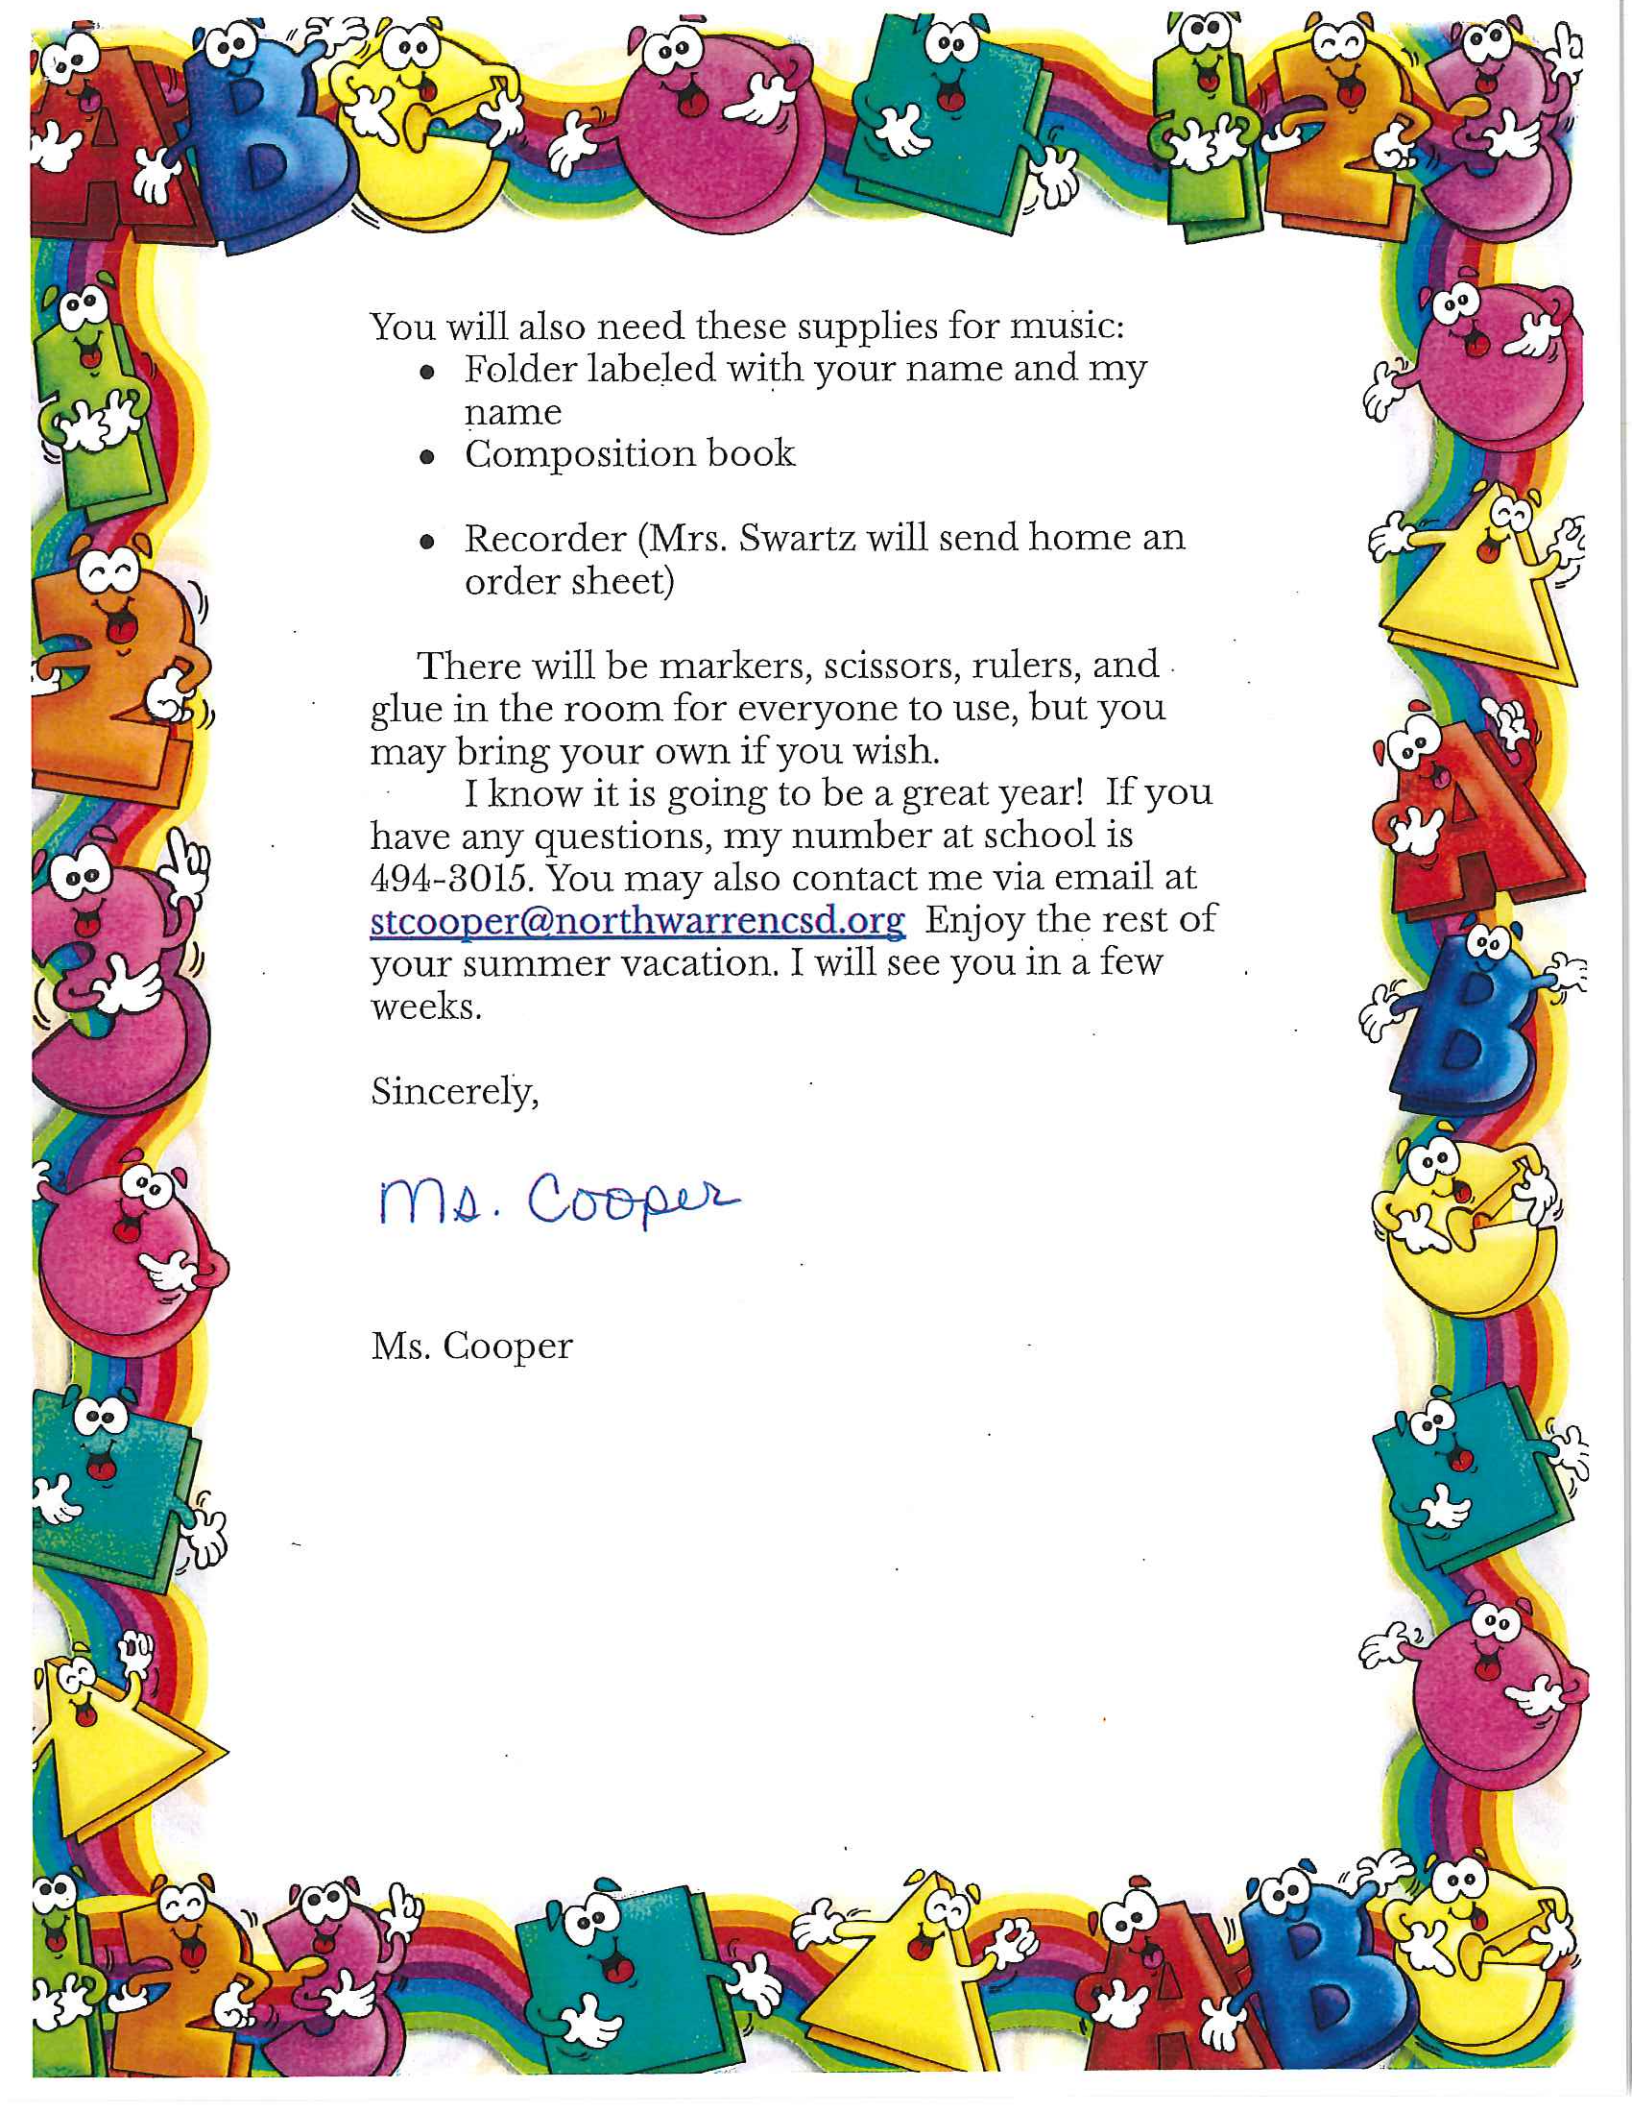

School will start soon so I have put together a list of supplies that you will need to bring with you on the first day of school.

You will need these supplies for the classroom:

- 2 inch binder
- Pencils, erasers, and pencil box
- 1 box of colored pencils or crayons

You will need these supplies for art:

- Art shirt
- pink eraser & 2 pencils

You will also need these supplies for music:

- Folder labeled with your name and my name
- Composition book
- Recorder (Mrs. Swartz will send home an order sheet)

There will be markers, scissors, rulers, and glue in the room for everyone to use, but you may bring your own if you wish.

I know it is going to be a great year! If you have any questions, my number at school is 494-3015. You may also contact me via email at stcooper@northwarrencsd.org Enjoy the rest of your summer vacation. I will see you in a few weeks.

Sincerely,

Ms. Cooper
