

Welcome to Planet 5K!

Where learning is "Out of this World"!

Dear 5K Parents and Students,
The summer is flying by quickly and the new school year will soon be upon us. We have a busy, exciting year planned and I would like to let you know what materials will be needed the first week of school.

All students in 5K are required to have:

1. A one inch (or one and a half-inch) three ring binder. Please do not purchase "Trapper Keepers" or a larger size, as they are too large to fit neatly inside a student desk. The binder should have a pocket on the inside of the front cover.
2. A package of 5 subject dividers (for the binder) with tabs and pockets.
3. A supply of **ballpoint** pens with blue or black ink only. Erasable ball point pens are great. Gel or roller ball pens are not used in 5th grade.
4. A supply of wooden (not mechanical) #2 pencils with erasers.
5. A box of colored pencils. (not crayons)

6. A pencil box or bag (size that will fit neatly inside the desk).
7. A hand-held pencil sharpener (with receptacle attached) for your colored pencils.

Please do not send your child with items that are not needed, as they often cause confusion and disorganization. Students **do not need**: scissors, rulers, glue, correction fluid, filler paper, highlighters, extra folders and spiral notebooks.

If you have any questions about the supplies listed here (or the list from the June report card) you can contact me at:

lkorniak@northwarrencsd.org I am really looking forward to a fun, rewarding year with your child! ☺

Sincerely,
Miss Korniak

PS: OOPS! I forgot to mention your **homework!** Please work on the following items prior to the first day of school.

- Please label & assemble your binder sections at home. You need to have a labeled section for: **Reading, Writing, Math, Science and Social Studies**. Thank you!
- Please fill out the enclosed paper "Books I Have Read" with any books you read this summer. If students read books over the summer, I like to give them credit toward their 5th grade total. If you don't read over the summer, please write "I didn't read any books". Please return the paper on the first day of school.
- The second day of school we will do a speaking activity where you introduce yourself to me and the class using 5 items in a bag. Please start thinking about small items (or pictures of items) that are meaningful to you or represent something about you. This will be discussed and assigned the first day of school, nothing is actually due on the first day.
