Dear Parents, Guardians and Community Members,

**“If you understand your ‘why’, you have a lot of options for what. But your why never changes.”**

**~Michael Jr.**

Our “why” is and always will be to inspire children to become lifelong learners and caring citizens. We are lucky to have an incredible group of educators committed to this mission and who do so by providing a nurturing environment where children feel safe and excited to learn.

A strong partnership between home and school is essential to support our students. I am grateful for the opportunity to work with you and your children to provide an exciting and productive educational experience.

If you have any questions or concerns, please never hesitate to reach out to me.

Sincerely,

Maggie Kelly
